We would like to introduce you to WAITT. A program developed over a decade ago that brings the message of abstinence to people across the world. WAITT is a major supplier of purity rings to individuals and groups. Join with us as we continue to teach that “purity should have a familiar ring”.

After being recognized by hundreds of TV and radio programs... including Fox News Live, The Associated Press, and The New York Times... it is no question that WAITT leaves a lasting impression for modesty and truth!

We would like to especially introduce the one person who continues to give WAITT its vision. By introducing Trisha, we hope to express to you our heart and passion for serving the needs of others.

Trisha Magaw has been serving teens since 1995 and is happy to provide you with your purity rings today. Starting WAITT at the age of 17, wearing her purity ring at the age of 14, she continues to spread the message of abstinence with thousands of teens worldwide. Now in her early 30's, she is as committed as ever to getting the word out about abstinence.

Having made the decision to wait at the age of 14, Trisha stayed true to purity right up to the alter — married June 2004. She did not ask of anyone something she did not live out herself. Not having crawled in a bubble to hide from the pressures of the world, she understands what it takes to live a lifestyle committed to purity and is excited to make WAITT purity rings affordable to those who want one.

We hope you will be blessed by the integrity of Trisha Magaw and the WAITT program. As a Christian organization we are especially proud to be partnering with you in supplying your purity rings. Thank you for choosing WAITT.

For Engaged Couples —

read as a couple waiting together

"My precious fiancé, I thank God above for HIS hand in bringing us together. We know God has blessed us to be together in marriage and we make a commitment today to NOT rush sexual pleasure until our formal vows are exchanged before God. In doing this, we agree to conduct ourselves in a way that reflects noble character. We commit to each other to keep pure our thoughts toward one another. Our "special" time together will come soon, so let us NEVER rush that which our Lord has created perfect in HIS time. Let's together walk the path of wisdom and truth. Let us hold dear the "prize" that lies ahead. May we honor our bodies and work diligently to NOT cause each other to stumble. Let's value our purity and keep self-controlled in our thoughts, our actions, and our words. My dear, may we structure our relationship away from temptations and keep clean our intimate intentions. We have been asked to keep the marriage bed pure, and that we must do. We are valuable to God and deeply treasured as his own. He wants the best for us. Let's continually trust his will for our relationships. I love You! Thank you for loving me! We are both worth waiting for! Therefore, We WILL be patient! We WILL wait!"
Prayer: Holy Spirit, grant us patience and equip us with the POWER to stand true to purity.

A Bit Of Ring History!

It is obvious that the shape of a ring is a circle. A circle has no beginning and no end. It is the shape of the sun and of the full moon. The very things that keep our lives balanced here on earth and sustains balanced life. Ancient cultures have used a circle shape / ring as a symbol of unity, perfection, and eternity. We likely wear the ring on the third finger of the left hand thanks to the Roman's. They believed that this finger is closest to the "vein of love" which leads directly to the heart.
