For Engaged Couples – Read as a couple waiting together

My precious fiancé, I thank God above for HIS hand in bringing us together. We know God has blessed us to be together in marriage and we make a commitment today to NOT rush sexual pleasure until our formal vows are exchanged before God. In doing this, we agree to conduct ourselves in a way that reflects noble character. We commit to each other to keep pure our thoughts toward one another. Our "special" time together will come soon, so let us NEVER rush that which our Lord has created perfect in HIS time. Let us together walk the path of wisdom and truth. Let us hold dear the "prize" that lies ahead.

May we honor our bodies and work diligently to NOT cause each other to stumble. Let's value our purity and keep self-controlled in our thoughts, our actions, and our words. My dear, may we structure our relationship away from temptations and keep clean our intimate intentions. We have been asked to keep the marriage bed pure, and that we must do. We are valuable to God and deeply treasured as his own. He wants the best for us. Let us continually trust his will for our relationships.

I love You! Thank you for loving me! We are both worth waiting for! Therefore, We WILL be patient! We WILL wait!

Prayer: Holy Spirit, grant us patience and equip us with the POWER to stand true to purity.

Let's promise to structure our friendship away from sexual temptations and will step in as a "team player" to help you in times of need. Together, today we make a "friendship" pledge to uphold our virginity until our wedding nights. We will live purely, talk purely, and act noble. We are purity buddies! Praise God for friends to keep accountable to. Today I make a commitment to you, my friend, that I will save myself sexually for my spouse and will work with you to uphold each other in our decision to wait. We are worth the Wait!

Purity — Honor Yourself & Your Relationships! Keep The Marriage Bed Pure! Heb 13:4

A Bit Of Ring History!

It is obvious that the shape of a ring is a circle...having no beginning and no end. It is the shape of the sun and of the full moon; the very thing that keep our lives balanced here on earth and sustains balanced life. Ancient cultures have used a circle shape/ring as a symbol of unity, perfection, and eternity. We likely wear the ring on the third finger of the left hand thanks to the Roman's. They believed that this finger is closest to the "vein of love" leading directly to the heart.

Your power and strength will bless your future unity.

Choosing To Wait!

Living purely takes hard work. A lifestyle that requires us to give up sexual entanglements that danger our relationships. Struggle against sin using the power of the Holy Spirit. "Throw off everything that hinders and the sin that so easily entangles, and run with perseverance the race marked out for us." Heb 12:1
