

WAITT - Exchanges

WAITT is happy to provide your Purity Ring exchange free of charge. Please remember, we cannot exchange rings which are over 30 days old (30 days past the time in which WAITT originally shipped the ring) and rings which have been worn for any period of time other than to try for size. A ring which has been worn for even an hour can show signs of wear as tiny scratches may appear on the surface of the ring and the wearer's body chemistry can "patina" the inner surface of the ring. Signs of brief wear are obvious when returned and the rings can no longer find their way to someone who will cherish them.

- Please print a copy of this form.
- Complete this checklist and fill out the required information below.
- Confirm the ring has not been worn and is not damaged.
- Carefully and securely pad the ring. Please do not return blue or red heart shaped ring boxes.
- Enclose the ring (s) and this form within a padded envelope. You may reuse the envelope in which you received the ring in if you wish. Be certain to cover up the old label with your own. The ring is well packed if you cannot feel the shape of the ring through the padding.
- There is no need to include money for the exchange unless there is a price difference due to a style exchange (we will issue a check in the event the price is a lesser amount). If a check is needed, please make it out to WAITT and enclose with your exchange.
